If you are looking for a home from home quality service, you can rely on us.

We ensure our setting is inviting for young children and a safe place where they can enjoy their early years education.

## Equality and Diversity

We will ensure that our service is fully inclusive in meeting the needs of all children, particularly those that arise from their ethnic heritage, social economic background, gender, ability or disability.

Our setting is committed to anti-discriminatory practice to promote equality of opportunity and valuing diversity for all staff, children and families'

We celebrate our differences and give the children the confidence to be proud and embrace them.

The curriculum offered in the setting encourages children to develop positive attitudes about themselves as well as to people who are different from themselves. It encourages children to empathise with others and to begin to develop the skills of critical thinking.

## Mental Health and Wellbeing

We believe that everybody's mental health matters. We encourage and support a positive mental health to all staff, children and parents.

Resilience is key to positive wellbeing. Our setting provides a rich emotional curriculum, we support vulnerable parents/carers and we will aim to reduce the stigma around mental health.

**“Great nursery with wonderful staff, who care dearly about the children”**

## Freshly cooked meals

The setting regards snack and mealtimes as an appropriate part of the setting's day. Eating represents a social time for children and adults and helps children to learn about healthy eating. At snack and mealtimes, we aim to provide nutritious food, which meets the children's individual dietary needs.

We require staff to show sensitivity in providing for children's diets and allergies. Staff do not use a child's diet or allergy as a label for the child or make a child feel singled out because of their diet or allergy
